Ineluctable modality of the visible: at least that if no more, thought through my eyes. Signatures of all things I am here to read, seaspawn and seawrack, the nearing tide, that rusty boot. Snotgreen, bluesilver, rust: coloured signs. Limits of the diaphane. But he adds: in bodies. Then he was aware of them bodies before of them coloured. How? By knocking his sconce against them, sure. Go easy. Bald he was and a millionaire, *maestro di color che sanno*. Limit of the diaphane in. Why in? Diaphane, adiaphane. If you can put your five fingers through it it is a gate, if not a door. Shut your eyes and see.

Stephen closed his eyes to hear his boots crush crackling wrack and shells. You are walking through it howsomever. I am, a stride at a time. A very short space of time through very short times of space. Five, six: the *nach einander*. Exactly: and that is the ineluctable modality of the audible. Open your eyes. No. Jesus! If I fell over a cliff that beetles o'er his base, fell through the *neben einander* ineluctably! I am getting on nicely in the dark. My ash sword hangs at my side. Tap with it: they do. My two feet in his boots are at the ends of his legs, *neben einander*. Sounds solid: made by the mallet of *Los Demiurgos*. Am I walking into eternity along Sandymount strand? Crush, crack, crick, crick. Wild sea money. Dominie Deasy kens them a'.

*Won't you come to Sandymount,*

*Madeline the mare?*

Rhythm begins, you see. I hear. A catalectic tetrameter of iambics marching. No, agallop: *define the mare.*

Open your eyes now. I will. One moment. Has all vanished since? If I open and am for ever in the black adiaphane. *Bast!* I will see if I can see.

See now. There all the time without you: and ever shall be, world without end.

They came down the steps from Leahy's terrace prudently, *Frauenzimmer*: and down the shelving shore flabbily, their splayed feet sinking in the silted sand. Like me, like Algý, coming down to our mighty mother. Number one swung lourdly her midwife's bag, the other's gampoked in the beach. From the liberties, out for the day. Mrs Florence MacCabe, relict of the late Patk MacCabe, deeply lamented, of Bride Street. One of her sisterhood lugged me squealing into life. Creation from nothing. What has she in the bag? A misbirth with a trailing navelcord, hushed in ruddy wool. The cords of all link back, strandentwining cable of all flesh. That is why mystic monks. Will you be as gods? Gaze in your omphalos. Hello! Kinch here. Put me on to Edenville. Aleph, alpha: nought, nought, one.

Spouse and helpmate of Adam Kadmon: Heva, naked Eve. She had no navel. Gaze. Belly without blemish, bulging big, a buckler of taut vellum, no, whiteheaped corn, orient and immortal, standing from everlasting to everlasting. Womb of sin.

Wombed in sin darkness I was too, made not begotten. By them, the man with my voice and my eyes and a ghostwoman with ashes on her breath. They clasped and sundered, did the coupler's will. From before the ages He willed me and now may not will me away or ever. A *lex eterna* stays about Him. Is that then the divine substance wherein Father and Son are consubstantial? Where is poor dear Arius to try conclusions? Warring his life long on the
contransmagnificandjewbangtantialityoaIllstarred heresiarch. In a Greek watercloset he breathed his last: euthanasia. With beaded mitre and with crozier, stalled upon his throne, widower of a widowed see, with upstiffed omophorion, with clotted hinderparts.

Airs romped round him, nipping and eager airs. They are coming, waves. The whitemened seahorses, champing, brightwindbridled, the steeds of Mananaan.

pp. 44-51 (37-42)

He had come nearer the edge of the sea and wet sand slapped his boots. The new air greeted him, harping in wild nerves, wind of wild air of seeds of brightness. Here, I am not walking out to the Kish lightship, am I? He stood suddenly, his feet beginning to sink slowly in the quaking soil. Turn back.

Turning, he scanned the shore south, his feet sinking again slowly in new sockets. The cold domed room of the tower waits. Through the barbacans the shafts of light are moving ever, slowly ever as my feet are sinking, creeping duskward over the dial floor. Blue dusk, nightfall, deep blue night. In the darkness of the dome they wait, their pushedback chairs, my obelisk valise, around a board of abandoned platters. Who to clear it? He has the key. I will not sleep there when this night comes. A shut door of a silent tower, entombing their blind bodies, the panthersahib and his pointer. Call: no answer. He lifted his feet up from the suck and turned back by the mole of boulders. Take all, keep all. My soul walks with me, form of forms. So in the moon’s midwatches I pace the path above the rocks, in sable silvered, hearing Elsinore's tempting flood.

The flood is following me. I can watch it flow past from here. Get back then by the Poolbeg road to the strand there. He climbed over the sedge and eely earwhees and sat on a stool of rock, resting his ashpaint in a grike.

A bloated carcass of a dog lay lollled on bladderwrack. Before him the gunwale of a boat, sunk in sand. *Un coche ensablé*, Louis Veuillot called Gautier's prose. These heavy sands are language tide and wind have silted here. And these, the stoneheaps of dead builders, a warren of weasel rats. Hide gold there. Try it. You have some. Sands and stones. Heavy of the past. Sir Loui's toys. Mind you don't get one bang on the ear. I'm the bloody well giant rolls all them bloody well boulders, bones for my steppingstones. Feefewm. I zmellz de bloodz ojz an Iridzman.

A point, live dog, grew into sight running across the sweep of sand. Lord, is he going to attack me? Respect his liberty. You will not be master of others or their slave. I have my stick. Sit tight. From farther away, walking shoreward across from the crested tide, figures, two. The two maries. They have tucked it safe mong the bulrushes. Peekaboo. I see you. No, the dog. He is running back to them. Who?

Galleys of the Lochlanns ran here to beach, in quest of prey, their bloodbeaked praws riding low on a molten pewter surf. Dane vikings, torcs of tomahawks aglitter on their breasts when Malachi wore the collar of gold. A school of turlehide whales stranded in hot noon, spouting, hoblinbing in the shallows. Then from the starving cagework city a horde of jerkined dwarfs, my people, with flayers' knives, running, scaling, hacking in green blubbery whalemeat. Famine, plague and slaughters.

Their blood is in me, their lusts my waves. I moved among them on the frozen Liffey, that I, a changeling, among the spluttering resin fires. I spoke to no-one: none to me.

The dog's bark ran towards him, stopped, ran back. Dog of my enemy. I just simply stood pale, silent, bayed about. *Terribilia meditans*. A primrose doublet, fortune's knave, smiled on my fear. For that are you pining, the bark of their applause? Pretenders: live their lives. The Bruce's brother,
Thomas Fitzgerald, silken knight, Perkin Warbeck, York's false scion, in breeches of silk of whiterose ivory, wonder of a day, and Lambert Simnel, with a tail of nans and sutlers, a scullion crowned. All kings' sons. Paradise of pretenders then and now. He saved men from drowning and you shake at a cur's yelping. But the courtiers who mocked Guido in Or san Michele were in their own house. House of... We don't want any of your medieval abstrusiosities. Would you do what he did? A boat would be near, a lifebuoy. Natürlich, put there for you. Would you or would you not? The man that was drowned nine days ago off Maiden's rock. They are waiting for him now. The truth, spit it out. I would want to. I would try. I am not a strong swimmer. Water cold soft. When I put my face into it in the basin at Clongowes. Can't see! Who's behind me? Out quickly, quickly! Do you see the tide flowing quickly in on all sides, sheeting the lows of sand quickly, shellcocoaicoloured? If I had land under my feet. I want his life still to be his, mine to be mine. A drowning man. His human eyes scream to me out of horror of his death. I... With him together down... I could not save her. Waters: bitter death: lost.

A woman and a man. I see her skirties. Pinned up, I bet.

Their dog ambled about a bank of dwindling sand, trotting, sniffing on all sides. Looking for something lost in a past life. Suddenly he made off like a bounding hare, ears flung back, chasing the shadow of a lowskimming gull. The man's shrieked whistle struck his limp ears. He turned, bounded back, came nearer, trotted on twinkling shanks. On a field tenney a buck, trippant, proper, unattired. At the lacefringe of the tide he halted with stiff forehooves, seawardpointed ears. His snout lifted barked at the wavenoise, herds of seamorse. They serpentted towards his feet, curling, unfurling many crests, every ninth, breaking, plashing, from far, from farther out, waves and waves.

Cocklepickers. They waded a little way in the water and, stooping, soused their bags and, lifting them again, waded out. The dog yelped running to them, reared up and pawed them, dropping on all fours, again reared up at them with mute bearish fawning. Unheeded he kept by them as they came towards the drier sand, a rag of wolf's tongue redpanting from his jaws. His speckled body ambled ahead of them and then loped off at a call's gallop. The carcass lay on his path. He stopped, sniffed, stalked round it, brother, nosing closer, went round it, sniffing rapidly like a dog all over the dead dog's bedraggled fell. Dogskull, dogsniff, eyes on the ground, moves to one great goal. Ah, poor dogsbody! Here lies poor dogsbody's body.

— Tatters! Out of that, you mongrel!

The cry brought him skulking back to his master and a blunt bootless kick sent him unscathed across a spit of sand, crouched in flight. He slunk back in a curve. Doesn't see me. Along by the edge of the mole he lolloped, dawdled, smelt a rock and from under a cocked hindleg pissed against it. He trotted forward and, lifting his hindleg, pissed quick short at an unsmelt rock. The simple pleasures of the poor. His hindpaws then scattered the sand: then his forepaws dabbled and delved. Something he buried there, his grandmother. He rooted in the sand, dabbling, delving and stopped to listen to the air, scraped up the sand again with a fury of his claws, soon ceasing, a pard, a panther, got in spousebreach, vulturting the dead.

After he woke me up last night same dream or was it? Wait. Open hallway. Street of harlots.

Remember. Haroun al Raschid. I am almosting it. That man led me, spoke. I was not afraid. The melon he had he held against my face. Smiled: creamfruit smell. That was the rule, said. In. Come. Red carpet spread. You will see who.

Shouldering their bags they trudged, the red Egyptians. His blueed feet out of turnedup trousers slapped the clammy sand, a dull brick muffler strangling his unshaven neck. With woman steps she
followed: the ruffian and his strolling mort. Spoils slung at her back. Loose sand and shellgrit crusted her bare feet. About her windraw face her hair trailed. Behind her lord, his helpmate, bing awast to Romeville. When night hides her body's flaws calling under her brown shawl from an archway where dogs have mired. Her fancyman is treating two Royal Dubliners in O'Loughlin's of Blackpitts. Buss her, wap in rogues' rum lingo, for, O, my dimber wapping dell! A shefiend's whiteness under her rancid rags. Fumbally's lane that night: the yarnyard smells.

White thy fambles, red thy gan
And thy quarrons dainty is.

Couch a hogshed with me then.
In the darkmans clip and kiss.

Morose delectation Aquinas tunbelly calls this, frate porcospino. Unfallen Adam rode and not rutted. Call away let him: thy quarrons dainty is. Language no whit worse than his. Monkwords, marybeads jabber on their girdles: rogues' words, tough nuggets patter in their pockets.

Passing now.

A side eye at my Hamlet hat. If I were suddenly naked here as I sit? I am not. Across the sands of all the world, followed by the sun's flaming sword, to the west, trekking to evening lands. She trudges, schlepps, trains, drags, trascines her load. A tide westering, moondrawn, in her wake. Tides, myriadislanded, within her, blood not mine, onopa ponton, a winedark sea. Behold the handmaid of the moon. In sleep the wet sign calls her hour, bids her rise. Bridgebed, childbed, bed of death, ghostcandled. Omnis caro ad te veniet. He comes, pale vampire, through storm his eyes, his bat sails bloodying the sea, mouth to her mouth’s kiss.

Here. Put a pin in that chap, will you? My tablets. Mouth to her kiss. No. Must be two of em. Glue em well. Mouth to her mouth's kiss.

His lips lipped and mouthed fleshless lips of air: mouth to her womb. Oomb, allwombing tomb. His mouth moulded issuing breath, unspeched: ooeehah: roar of cataractic planets, globed, blazing, roaring wayawayawayawayawayawayawayaway. Paper. The banknotes, blast them. Old Deasy's letter. Here. Thanking you for the hospitality tear the blank end off. Turning his back to the sun he bent over far to a table of rock and scribbled words. That's twice I forgot to take slips from the library counter.

His shadow lay over the rocks as he bent, ending. Why not endless till the farthest star? Darkly they are there behind this light, darkness shining in the brightness, delta of Cassiopeia, worlds. Me sits there with his augur's rod of ash, in borrowed sandsals, by day beside a livid sea, unbeheld, in violet night walking beneath a reign of uncouth stars. I throw this ended shadow from me, manshape ineluctable, call it back. Endless, would it be mine, form of my form? Who watches me here? Who ever anywhere will read these written words? Signs on a white field. Somewhere to someone in your flutiest voice. The good bishop of Cloyne took the veil of the temple out of his shovel hat: veil of space with coloured emblems hatched on its field. Hold hard. Coloured on a flat: yes, that's right. Flat I see, then think distance, near, far, flat I see, east, back. Ah, see now! Falls back suddenly, frozen in stereoscope. Click does the trick. You find my words dark. Darkness is in our souls do you not think? Flutier. Our souls, shamewounded by our sins, cling to us yet more, a woman to her lover clinging, the more the more.

She trusts me, her hand gentle, the longlashed eyes. Now where the blue hell am I bringing her beyond the veil? Into the ineluctable modality of the ineluctable visuality. She, she, she. What she? The virgin at Hodges Figgis' window on Monday looking in for one of the alphabet books you were going to write. Keen glance you gave her. Wrist through the braided jesse of her sunshade. She lives in Leeson park with a grief and kickshaws, a lady of letters. Talk that to someone else, Stevie: a
pickmeup. But she wears those curse of God stays suspenders and yellow stockings, darned with lumpy wool. Talk about apple dumplings, *piuttosto*. Where are your wits?

Touch me. Soft eyes. Soft soft soft hand. I am lonely here. O, touch me soon, now. What is that word known to all men? I am quiet here alone. Sad too. Touch, touch me.

He lay back at full stretch over the sharp rocks, cramming the scribbled note and pencil into a pocket, his hat tilted down on his eyes. That is Kevin Egan’s movement I made, nodding for his nap, sabbath sleep. *Et vidit Deus. Et creavit valde bona. Alo! Bonjour*. Welcome as the flowers in May. Under its leaf he watched through peacock twittering lashes the southing sun. I am caught in this burning scene. Pan’s hour, the faunial noon. Among gumheavy serpentsplants, milkoozing fruits, where on the tawny waters leaves lie wide. Pain is far.

*And no more turn aside and brood.*

His gaze brooded on his broadtoed boots, a buck’s castoffs, *nebeneinander*. He counted the creases of rucked leather wherein another’s foot had nested warm. The foot that beat the ground in tripodium, *foot I dislove*. But you were delighted when Esther Osvalt’s shoe went on you: girl I knew in Paris. *Tiens, quel petit pied!* Staunch friend, a brother soul: Wilde’s love that dare not speak its name. He now will leave me. And the blame? As I am. As I am. All or not at all.

In long lassoes from the Cock lake the water flowed full, covering greengoldenly lagoons of sand, rising, flowing. My ashplant will float away. I shall wait. No, they will pass on, passing, chafing against the low rocks, swirling, passing. Better get this job over quick. Listen: a fourworded wavespeech: seeesoo, hrss, rssseiss, ooos. Vehement breath of waters amid seasnakes, rearing horses, rocks. In cups of rocks it slops: flop, slop, slap: bounded in barrels. And, spent, its speech ceases. It flows purling, widely flowing, floating foampool, flower unfurling.

Under the upsweeping tide he saw the writhing weeds lift languidly and sway reluctant arms, hising up their petticoats, in whispering water swaying and upturning coy silver fronds. Day by day: night by night: lifted, flooded and let fall. Lord, they are weary; and, whispered to, they sigh. Saint Ambrose heard it, sigh of leaves and waves, waiting, awaiting the fullness of their times, *diebus ac noctibus inuturas patiens ingemiscit*. To no end gathered; vainly then released, forth flowing, wending back: loom of the moon. Weary too in sight of lovers, lascivious men, a naked woman shining in her courts, she draws a toil of waters.

Five fathoms out there. Full fathom five thy father lies. At one, he said. Found drowned. High water at Dublin bar. Driving before it a loose drift of rubble, fanshoals of fishes, silly shells. A corpse rising saltwhite from the undertow, bobbing landward, a pace a pace a porpoise. There he is. Hook it quick. Sunk though he be beneath the watery floor. We have him. Easy now.

Bag of corpsegeas sopping in foul brine. A quiver of minnows, fat of a spongy titbit, flash through the slits of his buttoned trouserfly. God becomes man becomes fish becomes barnacle goose becomes featherbed mountain. Dead breaths I living breathe, tread dead dust, devour a urinous offal from all dead. Hauled stark over the gunwale he breathes upward the stench of his green grave, his leprous nosehole snoring to the sun.

A seachange this, brown eyes saltblue. Seadeath, mildest of all deaths known to man. Old Father Ocean. *Prix de Paris*: beware of imitations. Just you give it a fair trial. We enjoyed ourselves immensely.

He took the hilt of his ashplant, lunging with it softly, dallying still. Yes, evening will find itself in
me, without me. All days make their end. By the way next when is it Tuesday will be the longest
day. Of all the glad new year, mother, the rum tum tiddlely tum. Lawn Tennyson, gentleman poet.
Già. For the old hag with the yellow teeth. And Monsieur Drumont, gentleman journalist. Già. My
teeth are very bad. Why, I wonder. Feel. That one is going too. Shells. Ought I go to a dentist, I
wonder, with that money? That one. Toothless Kinch, the superman. Why is that, I wonder, or does
it mean something perhaps?
My handkerchief. He threw it. I remember. Did I not take it up?
His hand groped vainly in his pockets. No, I didn't. Better buy one.
He laid the dry snot picked from his nostril on a ledge of rock, carefully. For the rest let look who
will.
Behind. Perhaps there is someone.
He turned his face over a shoulder, rever regardant. Moving through the air high spars of a
threemaster, her sails brailed up on the crosstrees, homing, upstream, silently moving, a silent ship.
